Visit bloodcollectors.org #bloodcollectorsweek

We're celebrating the compassion and commitment of professional blood collectors. Their efforts help to ensure blood is available to patients in need, and create a positive experience for donors like you.

Please join us in recognizing this honorable profession with your generous blood donation.

Help the more than 4.5 million people in the U.S. annually who need a blood transfusion.

Place Blood Center Logo within the dotted line area—the size of the logo must not exceed the height or width of the box.

Blood Collectors Week is sponsored by AABB and Fresenius Kabi, and supported by local blood centers.
